Dear Brother Phelps -

41

I have had the enclosed from
an excellent brother in Fall River,
for some days, but really I am so
entirely out of the missionary line
that I do not know to whom to appre-
ciate his bounty. Will you be
good enough to designate five mis-
sionaries likely to get good from the Eman.
& give their names to Alden or ben-
epiciaries on the School fund?

Yours as ever
Joshua Leavitt

There should be a stirring paragraph
made out of the letter for the Eman.
